Proudly Celebrating 20 Years of Giving in 2019!

I would have never imagined that a small idea in the year 2000, supported by friends and colleagues, would grow into the far reaching and impactful community project that it is today. Our large group of big hearted volunteers have supported a total of 18,786 women in abused women's shelters with beautiful new beginning baskets since that first event.

This year, we are adding chapters in Kingston and Windsor, which will bring our chapter total to 17 in Canada and 1 in the United States.

With your help, we will celebrate the Basketeteers 20th Anniversary with the largest turnout ever and we will surpass the 20,000 basket donated since the program first launched.

To celebrate the anniversary, we are asking everyone to "tell a friend" about the campaign and invite them to join the Basketeteers. Let's see how much we can grow with everyone finding one new person to contribute a basket!

Stay tuned for more celebration events to be announced in the spring.

Cheryl Stoneburgh,
Basketeteers Founder

GTA Basketeteers is looking for volunteers with admin and social media expertise. Please email Corinne@basketeteers.org for more information.
