Happy New Year!

In our 21st year we pivoted from creating beautifully wrapped baskets to an on-line financial donation campaign. We received donations as thoughtful as \$20 as well as support from amazing group and corporate donations. I really had no idea where our campaign was heading but I learned quickly that our work would continue in 2020 to support abused women across Canada.

In the GTA we raised \$43,835 and with all of our incredible Basketeteers Chapter Lead's across Canada we raised \$126,375, creating 842 gift card bundles to distribute to the shelters we support.

In the last 21 years, the Basketeteers have assisted 21,674 abused women in their new beginnings and raised approximately \$4.3 million in kind donations.

I am sincerely grateful for the continued generous support and that in a year filled with loss, anxiety, and uncertainty our donors entrusted us with financial donations to continue our support of shelters for abused women. It is our hope that the contents of each new beginning gift card bundle not only help recipients start over but serves to let the women know that they are supported by their community and have alternatives to returning to an abusive relationship.

"I believe that when you change the focus from yourself to someone in need your life becomes bigger". On a personal note, the Basketeteers volunteer project has changed my life by introducing me to amazing new individuals, corporations, and opportunities. It has brought me awareness of the unacceptable abuse of women across our country.

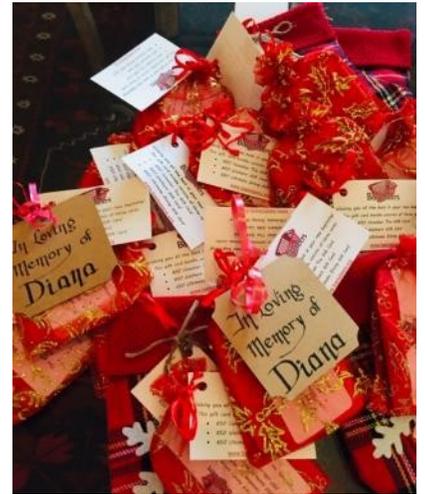

Thank you for your continued generous support of the Basketeteers.
